

About Boscrowan

Here at Boscrowan we have two award winning cottages, each with its own character and charm, each being unique in its own way. Peace and Plenty is a reversed level barn conversion that sleeps four. Ring and Thimble is a thatched cottage that offers ample room for two.

Both properties benefit from those special things that make any stay at Boscrowan a holiday to remember. This includes the cream tea on arrival in the privacy of your own cottage, the local apple juice in the fridge, the freshly cut flowers and the high quality of soft furnishings and décor throughout.

Boscrowan is a 25 acre small holding with horses, chickens and ducks and some fields of daffodils.

We are members of CoaST the Cornwall scheme for sustainable tourism and have won a number of Cornwall Tourism Awards receiving a highly commended in 2002 and 2004 and a Bronze Award in 2005.
